

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Refuse—Care and Disposal. (Ord. Feb. 16, 1914.)

SEC. 95. Any person who shall put, place, or leave exposed in any part of the city any carcass, carrion, vegetable or putrescent and unwholesome substance, shall forfeit and pay to the city of Beloit a penalty not exceeding \$5, and an additional penalty of \$5 for each and every 24 hours such substance is permitted to remain after notification by the proper officer to remove the same.

SEC. 96. Any person who shall throw or deposit any dirt, filth, straw or rubbish in any streets or alleys, or upon any public grounds of this city, or in any part of Rock River within the limits of this city, shall pay a penalty of \$1 for each and every offense.

SEC. 97. Any owner or occupant of any lot or tenement in this city who shall permit any substance mentioned in the last two sections to be or remain upon said lot, or in and about said tenement, or between the same and the center of the street adjoining, shall pay a penalty of \$2 for each and every 24 hours during which the same shall remain or lie thereon.

SEC. 98. Any owner or occupant of any house, building or place, who shall suffer the same to become nauseous or injurious to the health of the inhabitants of this city, shall forfeit a penalty of \$5 for each and every offense.

Slaughterhouses—Prohibited within City Limits. (Ord. Feb. 16, 1914.)

SEC. 99. It shall not be lawful for any person or persons to keep or maintain within the limits of this city any slaughterhouse or other building or place for slaughtering animals, or to carry on within the limits of said city the business of slaughtering animals, and any person or persons violating any of the provisions of this section shall forfeit a penalty of \$5 for each day said slaughterhouse, building, or place is so maintained or kept, and \$5 for each day the business of slaughtering is so carried on by him or them.

Privies and Cesspools—Care and Disposal of Contents—Sewer Connections. (Ord. Feb. 16, 1914.)

SEC. 100. (1) No privy vault or cesspool shall be constructed or maintained within the fire limits of the city of Beloit where sewers have been constructed.

(2) No privy vaults, cesspools, or reservoirs into which any privy, water-closet, stable, sink, or other receptacle of refuse or sewage is drained shall be constructed or maintained in any location or in any manner whereby, through leakage or overflow of its contents, the same may cause pollution of the soil near or about habitations, or the pollution of any well, spring, or other source of water used for drinking or culinary purposes; nor shall overflow from any such reservoir or receptacle be permitted to discharge into any public place, or in any wise whereby danger to health may be caused, and every such pit, reservoir, or receptacle shall be cleaned and the contents thereof removed at such times and under such precautions as the board of health may prescribe.

(3) All house sewers or drains for the conveyance of deleterious or offensive matter shall be water-tight, and the plans and methods of their construction shall be subject to the approval of the board of health. In streets or avenues where public sewers are now or hereafter shall be constructed, the board of health may order house connections made therewith and when so ordered such connection must be made within 30 days.

(4) All privies which may hereafter be built upon any property abutting upon a street where a sewer has been laid shall be so constructed as to discharge their contents into such sewer, unless written authority to do otherwise be granted by the board of health. Any privy built contrary to the provisions of this section is hereby declared to be a nuisance.
